***You Have Some  
Nice Friends!***

*One of your good friends, identified below, has given you a “little bit of Wisconsin” as a gift.*

*That is, your friend has given you a subscription to Our Wisconsin magazine. The first issue will be in the mail to you soon.*

*Your friend obviously thinks a lot of you...and surely you'll return the regard each time a new issue arrives every other month through the coming year.*

*We join your friend in welcoming you to our family of readers!*
