

## Getting Closer and Closer...

*Fifty counties are now eliminated in our Treasure Hunt. Find the key we've hidden and you'll win this custom camping trailer.*

IT'S BUILT. It's safely stored. And it's ready for you to tow home!

A brand-new teardrop trailer is the prize we're offering in our Wisconsin Treasure Hunt. This slick little rig is waiting for a resourceful reader to put the clues together and search up the key we've hidden in a park.

With 50 of Wisconsin's 72 counties now eliminated from our search area, there's never been a better time for you to win this trailer, which was built specially for *Our Wisconsin* by our friends Todd and Carol Mowrer of TCTeardrops.

That's Todd and Carol you see in front of the Wausau shop where they and their crew have built hundreds of these teardrop trailers. They're highly popular!

Now don't fret if you don't own a truck because our teardrop trailer can be pulled by the smallest of cars.

It's dressed up with a roof rack, storage box and a handy receiver hitch for a bike carrier or steel cargo tray. And how about those shiny aluminum wheels? You can carry your boat, bike and breakfast to the campground all in one eye-catching package!

Inside this 5- x 9-foot model is a slide-out table in the sleeping cabin, queen-size mattress, battery charger and more.

If you're interested in winning this beauty, take up our challenge to find the key we've hidden in a park *somewhere* in

this sizable state. Any public park qualifies: state, county, city, village or township.

If you're ready to join the hunt, here's a recap of our rules.

### The Contest Works This Way

- The key is hidden in a *public* park to avoid trespassing.
- This contest is not limited to paid subscribers.
- Below is a map showing the counties where the key ISN'T hidden. Issue by issue, we eliminate 10 more to narrow the search.
- A new clue is provided each issue.
- The key is in a clear biodegradable bag with a note stating, "*You Found It!*" along with a phone number to call and a secret code number that will be requested.
- Your only license to hunt is a garbage bag. By collecting litter, you provide a public benefit. The bag's benefit to you is that you won't look as if you're searching for something and invite competition.
- Don't call us. No calls will be accepted by *Our Wisconsin* about this program.
- No employee of the magazine or relative of any employee—nor any of our field editors—is eligible to win.
- Past winners and their immediate family members are not eligible to win.

**TEARDROP TEAM.** A cold soggy tent-camping trip convinced Todd and Carol Mowrer to look for a better way. They certainly found it with the popular teardrop trailers they're building in Wausau. You could win the one shown here!

- The contest is open to anyone else of any age.

The first clue we gave was: "The key is not buried. It's hidden above the ground." The second one was: "It's a reach." Third clue: "Let's take a hike!" Fourth clue: "The trailer's welcome here." Now here comes the fifth clue: "Farming neighbors near."

Watch next issue for a sixth clue and 10 more counties out of the running. The key to adventure awaits a lucky winner! 🍀

**RED MEANS** it's not hidden there...50 of the state's 72 counties have been scratched so far.
